

Actual Client Testimonials about Matthew Galluzzo

Matt, my family and I would like to thank your firm from the bottom of our hearts for the excellent job you guys did with my case. From the appeal brief to the actual trial, the firm took my case seriously and believed me from day one. **You literally saved my life**, as I was facing a substantial amount of time in state prison, and I can't thank you enough for that. I want to thank you especially as you were the one who did such an excellent job at my trial, aggressively attacking every weakness that the prosecution had in its case.... resulting in me being found not guilty on all charges!!!

The first day I met you and Zach in the office I knew that you guys cared. Every time I met with you, Eric would also chime in as well and offer his expert advice on the situation at hand. Once again, I can't thank you and your firm enough for the job you guys did with my case from start to finish. If anyone were ever facing any type of criminal charges, I would not hesitate one bit to recommend Matthew and his firm to help. These three men care and will fight to the end to get the best possible outcome for the case. **Matt, you truly were a blessing from God and I'm so thankful that the Lord guided us to you and your firm. Once again, I would recommend this firm 110% to anyone in need of help with their situation. God Bless!**

“The first time I met Mr. Matthew Galluzzo he was very professional towards me. He listened to me and always kept our meetings with each other straightforward, honest and real. He took his time with me and he was never in a rush, never overlooking one of my questions and always very respectful towards me and my family. Mr. Matthew Galluzzo never treated me like he had no interest in my case, but through his actions showed me his is a real good lawyer, a professional who knows the law and knows how to represent a client whose life was depending on it. He believed in me and I felt it. *I knew then, like I do now, that he was Heaven sent.* What I was facing before I was found not guilty (due to Mr. Galluzzo's representation) was very serious, but I trusted God and Mr. Galluzzo and his office with my life. *My trial was the “real deal” and Matt saved my life.* I will always be grateful of this and appreciate the second chance of life. This trial proceeding has changed my life forever. I cannot take for granted what Matt has done for me, but take full advantage of my new beginning and prove myself deserving of this life changing proceeding. I am truly blessed and fortunate. Thank you Matt may God bless you.”

"In 2009 I got arrested for Identity Theft In the First Degree. I thought it was the end of my freedom. The first attorney I had did not seem too interested in my case. So I got a new lawyer and this time it was different. My new lawyer and I started working together as a team from day one. After a few negotiations with the judge, my offer, seven years in jail and, a felony, decreased to six months in jail and a misdemeanor. I thank my lawyer, Matthew Galluzzo, for all his attention and care to me and my case. I can't say more. **He is just the best!**
